

Call for contributions and preliminary program

**Managing meteorological risk:
crossroads between insurance, statistics, and finance**

when: Tuesday 17 and Wednesday 18 December, 2024

where: Dipartimento di Scienze Economiche e Sociali
Università Cattolica del Sacro Cuore, sede di Piacenza
Via Emilia Parmense 84 - Piacenza

Invited speakers:

Fred Espen Benth (University of Oslo)
Guglielmo D'Amico (Università di Chieti e Pescara)
Luigi Mariani (Università di Brescia)
Silvana Stefani (Università Cattolica del Sacro Cuore e Università di Milano-Bicocca)

Call for contributions: the aim of the workshop is to present and discuss work-in-progress and/or recent results on meteorological risk management under different perspectives. Participants are warmly welcome to submit their contributions by sending an email with title and abstract to crossroadsworkshop2024@gmail.com.

How to attend: participation to the workshop is free. Due to a limited seats availability, attendants are kindly asked to register by sending an email to crossroadsworkshop2024@gmail.com.
